

THIS ISN'T A SCENE from a high school class play, but one of the top moments in the Christmas program at the Carrier Mills Community high school Friday morning. During the all-school program members of the Student Council were installed, then Council President Phoebe Holmes called Principal Warren Jennings to the stage, with the curtain drawn. After expressing the appreciation of the faculty and students for his service to the school and regret at his leaving to accept the position of principal at Metropolis, Phoebe said, "We want to present you with a little token." The curtain was pulled, revealing a beautiful desk and

chair and lamp. As he started to get to his feet and visibly shaken by the gesture, the curtain was quickly closed, leaving Mr. Jennings alone with his thoughts and immediately the program of Christmas music, under the direction of Wayne Minton, started. Shown on the stage, left to right, Student Council members Nina Davidson, Lowell Keel, Robert Mitchell, Joan Dunn, Peggy Berns, treasurer; Shirley Pyle, secretary; Mr. Jennings, Phoebe Holmes, president; Charles Rann, Lorna Dallas, Charlotte Davis and Richard Stewart. Larry Edwards, vice president, was at the piano, ready to accompany the girls' sextet, first on the musical program. (Register Staff Photo)

Don Garrison Fills Increased Bond

New and Additional Bonds Totalling \$70,000 are Filed with Circuit Clerk

New and additional bonds totaling \$70,000 were filed Friday afternoon by County Clerk Don B. Garrison, following direction of the Saline county Board of Supervisors, which voted Thursday that Garrison's bond as County Clerk should be increased from \$5,000 to \$50,000, and that he furnish a new bond in the amount of \$25,000 as custodian of the county employees' retirement fund.

Garrison's bonds now cover \$5000 as clerk of the Probate court, \$50,000 as County Clerk and \$25,000 as custodian of the employees retirement fund, for a total of \$80,000.

The new and additional bonds were filed Friday afternoon with Circuit Clerk James Burroughs, custodian of most of the bonds of the county officers. County Clerk Garrison and Bill Ghent and George Robertson of the firm of Robertson & Ghent filed the bonds in person.

Mr. Ghent stated the bonds are written by him and Mr. Robertson as representatives of the Massachusetts Bonding and Insurance Company, which firm had written the original bonds in behalf of Mr. Garrison.

Ghent stated the Massachusetts Bonding and Insurance Company is approved by the U. S. government to sign any type of bond required of Federal employees, and is licensed to do business in all 48 states of the union.

The firm has assets of more than 75 million dollars, he stated. The County Board directed Garrison to post the additional bonds as a part of the controversy growing out of alleged overdrawals of salary by Garrison and of other acts relating to Garrison's office which have been the subject of grand jury investigation, resulting in Garrison's indictment.

John J. Denny was driving on Sloan and Ezra Watkins was travelling on Webster when their cars collided at the intersection Thursday evening. Yesterday's account of the crash said Mr. Denny was driving on Webster and Mr. Watkins on Sloan.

Boy, 3, Kept Locked in Filth-Smeared Room, Placed Under Hospital Care

GRAND RAPIDS, Mich. — A three-year-old boy, kept locked in a filth-smeared room for possibly two years, was under hospital care today. His parents face charges of cruelty to children.

Police went to the home of Grady Hickman, 40, and his wife, Doris, 33, Friday at the complaint of a neighbor and found the couple's three-year-old son, Stephen, locked in an "incredibly foul-smelling" room.

The boy was found sleeping in light underwear on a bedspring without a mattress and was taken to a nearby hospital where doctors examined him.

Police said the neighbor learned of Stephen's captivity from his six brothers and sisters.

A sister, Linda, told officers her brother had been locked in the room for "a year, maybe two."

Stephen's parents refused to tell police why they kept the boy penned up in the room. The door was wired shut from the outside. Hickman's only comment was "my wife takes care of the kids."

A doctor at St. Mary's Hospital where Stephen was taken for observation said the boy had signs which indicated he was a spastic. The doctor said he could not determine this without "an extensive series of tests" but added "if the boy is a spastic it's not a severe case."

He said the boy was well fed and showed no signs of abuse other than that he was "very dirty."

Student Dies While Undergoing Minor Operation

EVANSTON, Ill. (UP)—A college student's allergy to pain-killing drugs apparently killed him while his tonsils were being removed.

Edward B. Schroeder, 18, a member of the Amherst College swimming team, was racked by a convulsion and died almost instantly Friday on the Evanston Hospital operating table. The youth was the first patient to die during a tonsillectomy since 1926.

Schroeder had entered the hospital for what is generally considered a minor operation.

He was administered cocaine and pontocaine to numb his body to the pain during the operation. Schroeder was apparently highly allergic to these drugs and consequently died, a hospital spokesman said.

Find Driver of Wild Ambulance Dead at the Wheel

CHICAGO (UP)—Police opened the door of a runaway hearse and found its driver dead at the wheel after the vehicle struck a schoolboy, terrorized pedestrians and finally plowed into a tree.

The driver, Lewis Patke, 72, apparently suffered a heart attack just as he approached a corner Friday. The hearse zipped through the intersection, sideswiped two cars and veered onto the sidewalk.

Thomas Wiatr, 13, was walking to meet his brother when the hearse headed for him. Although he started to run when his brother shrieked a warning, the hearse caught him, causing a skull fracture, other fractures and internal injuries. He was hospitalized in serious condition.

The hearse continued to swerve for another 50 feet until it came to rest against the tree.

Ivan Smith of Near Raleigh Dies

Ivan Smith, 54, a farmer who resided on Harrisburg RFD 4, west of Raleigh, died at 6:20 a. m. today in the Lightner hospital.

He was the son of the late Ira and Nettie Smith and was unmarried.

He is survived by one brother, Wayne Smith of Harrisburg and two sisters, Mrs. Bessie Seten, Cottage Grove, and Mrs. Ruth Bradshaw of Raleigh.

The body was taken to the Gibbons funeral home. The funeral will be held at Rocky Branch church and burial will be in Cottage Grove cemetery at a time to be announced later.

Steel Pay Hike May Trigger Price Increase

PITTSBURGH (UP)—The steel industry today viewed the three-cent-an-hour cost-of-living wage increase the nation's steelworkers will receive Jan. 1 as "another point of pressure" on the warring steel price line.

Company sources said the pay boost, coming on top of other sharp rises in the cost of steel-making, could well "trigger" a general increase in prices early in 1957.

The three-cent wage increase is the result of a rise in the cost of living, announced Friday by the Bureau of Labor Statistics. The industry's contracts with the United Steelworkers provide for wage increases every six months if the living cost index has risen appreciably.

Since World War II, the steel industry has never increased wages without boosting prices. Following the signing of a three-year contract this summer, which provided immediate benefits costing 28.7 cents per hour per man, steel prices went up \$8.50 a ton.

Since that time, prices of scrap-metal, a key ingredient of steel, have soared to all-time highs. Freight rates are going up. Iron ore and coal costs are higher.

Estimates of the increase in the cost of making steel since August range from \$5 to \$7 a ton. The new wage increase comes on top of that.

Foggy Weather Blamed For Crashes on Rt. 34; Seven Cars are Involved

Dr. Otto John Is Sentenced For Treason

KARLSRUHE, Germany (UP)—The West German Supreme Court today convicted Dr. Otto John of treason and sentenced the former counter-intelligence chief of West Germany to four years imprisonment.

John was convicted of treasonous disclosure of "false" state secrets and treasonable conspiracy during his 17 months in Communist-dominated East Germany.

The court, in sentencing John to four years in prison, doubled the maximum sentence asked by the federal prosecutor. The year John spent in various West German jails and hospitals during the investigation and trial will be deducted.

Arrested A Year Ago

John was arrested one year ago today, 10 days later he had been smuggled back into West Germany in the back of a Danish newsman's car.

He was former chief of the Office for the Protection of the Constitution of the West German Republic. John maintained his innocence throughout the trial.

But the court rejected his story of being drugged and kidnapped by an agent of the East German secret police.

The trial opened Nov. 12. Testimony and summations by prosecutor and defense attorneys were completed last Monday.

Prosecutor Max Guede, in summing up for the state earlier this week, urged John's conviction for engaging in a "treasonable conspiracy" and for making anti-Western propaganda statements during his stay in the Communist zone.

No Secrets Given Away

He admitted John did not get any important state security secrets to the Russians because he said John did not know any. But he charged John with "fighting in the enemy's camp in the cold war" by his propaganda press conferences, broadcasts and written statements.

Ike's Official Vote Set at 35,582,236

WASHINGTON (UP)—President Eisenhower defeated Adlai E. Stevenson for the presidency by an official popular vote of 35,582,236 to 26,028,887 final figures showed today. Mr. Eisenhower's margin over Stevenson was 9,553,349.

Final returns as certified by secretaries of state of all 48 states became available only today when Rhode Island completed its canvass of absentee votes.

Mr. Eisenhower's vote was a new record. The previous record was set in 1952 when Mr. Eisenhower polled 33,937,252.

Communist Sympathizer Admits Two Church Fires; Says He Hates Religion

TRENTON, N. J. (UP)—An avowed Communist sympathizer admitted to police who arrested him Friday night he set two church fires "because I hate religion and Communism means truth."

Theodore Pravda, 35, an unemployed factory worker, said he set fire to the Holy Trinity Ukrainian Orthodox Church and Sts. Peter and Paul Roman Catholic Church Thursday night. There were no serious injuries in either fire.

Pravda said he recently changed his name from Johannes Boychuck because "Pravda means truth." Pravda is the name of the official Soviet newspaper in Moscow.

Second Recent Arson Arrest
The churches were fired only two days after Elber C. Lucas, 40,

a parttime handyman, pleaded guilty to setting four church fires last Sunday and a \$3.5 million blaze last March that destroyed St. Mary's Roman Catholic Cathedral and rectory with a loss of three lives.

Detectives who were waiting for Pravda in his home said they had traced him through a license number of a rented car he used on the night of the fires. The Rev. Michael Zaparynuik noted the number after chasing the arsonist across the yard of Holy Trinity moments after he had hurled a flaming can of alcohol anti-freeze through the window.

Father Zaparynuik rushed into the church and smothered two burning tables with his overcoat.

Holiday Gets Dreary Start With Fog, Rain; 50 Early Deaths

By United Press
The Christmas holiday weekend, marred by unpleasant weather, is expected to produce a record slaughter on the nation's highways.

The four-day festive weekend got off to a dreary start. The eastern half of the nation was shrouded in a mass of fog, drizzle and freezing rain.

The Kansas City Weather Bureau issued a special bulletin of a potentially severe storm that could produce serious weather conditions for the Midwest.

A total of 660 traffic deaths has been predicted by the National Safety Council for this year's holiday, which began at 6 p. m. Friday night and will end at midnight Tuesday. Should that forecast be realized, it would set an all-time record for the Christmas holiday.

By 9 a. m. CST, 16 hours after the holiday period began, the United Press tabulation showed 68 persons dead in traffic accidents, most of them in the areas where a slickening rain and fog made travel hazardous. Three deaths were reported in fires and four in miscellaneous accidents for a total of 75.

Railroad stations were jammed, and in many stations holiday passenger traffic was snarled after airports were closed by fog.

Planes Lost at Airports

The fog was so thick in the East

that two airplanes got lost on airport taxiways in New York City before coming to safe stops. In Windsor Locks, Conn., a plane couldn't find its way to the hangar on a lighted field. Although the plane stretches some 100 feet long and is 30 feet high, control tower officials couldn't sight it. A fire emergency truck was sent after the plane, but the truck got lost also. A man on foot was finally able to round up the pair.

Because this holiday will be one day longer than normal, police throughout the nation have taken precautions to help protect motorists.

Probably the greatest peril to traffic safety—motorists with too much booze under their belts—were the special targets of police forces. Indiana patrol cars were outfitted with portable drunkometers and patrolmen at San Diego, Calif., were detailed near tavern doors to prevent the drunken revelers from ever reaching their cars.

Although the central section of the country was expected to be visited by unruly weather, the rest of the nation had a tentative forecast of mild weather.

Last of Troops Leave Port Said

PORT SAID, Egypt (UP)—The last Anglo-French troops left Port Said today under a protective umbrella of fighter planes, ending the 47-day Allied occupation of the Egyptian city.

The last 1,000 troops began marching aboard transports at 4:15 p. m. (8:15 a. m. CST), taking with them 12 tanks that were the last remnant of the armored forces landed here early in November.

Ten destroyers and a swarm of fighters from two aircraft carriers covered the withdrawal against last-minute Egyptian attack.

First Victim of Holiday Party

CHICAGO (UP)—The first victim of a holiday party was reported this morning by Chicago police.

Ernest Robinson, 27, was reported dead on arrival at County Hospital after fellow workers at an office Christmas party found him draped over the front fender of a parked car just outside the building.

Police said Robinson had attended the party at a plating works where he was employed. The party started about 3 o'clock Friday afternoon and by 7:30 he appeared to have had too much to drink and began to talk of leaving.

Fellow workers took his car keys from him and told him to lie down for a while said police, but he disappeared.

Mississippi Man Hurt in Third Crash on Rt. 145

Three Cars Pile Up Because Of 4-Car Crash

Foggy weather this morning was blamed by state police for two crashes on Route 34 south of Pankeyville in which seven automobiles were involved.

In another crash south of Harrisburg, Duane Rhinehart, 22, of Booneville, Miss., was seriously injured when he lost control of his auto on Route 145 a mile south of Delwood. State Policeman Roy A. Lane said that Rhinehart, driving alone, lost control of his auto about 6:30 p. m. yesterday and ran off on a soft shoulder. The car overturned down an embankment.

Rhinehart was brought to the Harrisburg hospital, suffering head and chest injuries.

About 7:45 a. m. today three cars piled up a mile south of Pankeyville on Route 34 because of a four-car crash about a quarter of a mile farther south.

Crash Into Rear of Cars

State Policeman Adolph Sweat said all three cars were traveling southward and the crash occurred when the first car, driven by Bonnie Jean Calvery, 18, of Maywood, Ill., halted because of the crash ahead.

Sweat said the fog was very heavy and that a car driven by Otis Potts, 23, Chicago, crashed into the rear of the auto driven by Mrs. Calvery and that a car driven by Harry Earl Wray, 26, Gary, Ind., hit the rear of the Potts vehicle.

Clarence Potts, 65, in the Potts car, suffered a broken arm, and Betty Jane Skitting, 7, also in the Potts car, suffered cuts and bruises. Also with Potts were Anna Potts, Maude Potts and Arles Aldridge, all of Chicago. Mrs. Calvery's husband, Willie, and her mother, Mrs. Sally Taylor, were with her and Wray was driving alone.

Information was not available on the four-car crash, which occurred just a few minutes before the accident, but it was learned a woman in one of the cars had some front teeth knocked out.

Two Killed in Highway Collision

LITCHFIELD, Ill. (UP)—Two persons were killed in a collision of two automobiles and a semi-trailer truck near here Friday night.

The dead were identified by Illinois state police as Frank Cummings, 33, St. Louis, who was driving the truck, and Mrs. Elba L. Etherage, 31, of Rockford, Ill.

Mrs. Etherage was in a car driven by her husband, Fred Martin Etherage, 25, when it ran into the truck, which had stopped on U. S. 66 to pull a car out of the mud. Etherage's automobile glanced off the truck and came to a standstill in the highway where it was struck a moment later by another car, driven by Donald L. Worthen, 20, Chicago.

Etherage was in serious condition at St. Francis Hospital where Worthen's 21-year-old wife, Joann, was treated and released.

SQUAD CARS of the Illinois State Highway police will carry
the slogan, "Safety Demands Sober Drivers" to the citizens of
Illinois, Pastor Elwin K. Drake of the Eldorado Seventh-day Ad-
ventist church, announced today. Five hundred safety placards
have been donated to Superintendent Morris of the State Police,
by members of the American Temperance Society's Broadview
Academy chapter, Broadview, Ill., which state drinking drivers
were involved in nearly 55 per cent of fatal accidents. The students
of Broadview Academy have invested almost \$300 in the safety
program of Illinois. Their safety stickers are now being displayed
on the squad cars of 20 Chicago suburbs, the Chicago police force,

and the sheriff's police of Cook county. In all, almost 2,000 police
cars are carrying the safety slogan. Broadview Academy is a Sev-
enth-day Adventist school serving Adventist youth of Illinois. In
the above picture inspecting the safety stickers are (from left)
Eunice Tribout, 14, freshman from Belleville; Officer Frank Dusik,
State Police District 4; Bonnie Kane, 15, sophomore from Makanda;
Marlene Cheek, 14, freshman from Belleville; David Weaver, 15,
sophomore from Belleville; Officer Leonard Caspar, District 4;
David Lounsberry, 15, sophomore from Oakford. The students are
all from Broadview Academy. "It will be worth all the work if we
can save one life during the Christmas holidays," Lounsberry stated.

Judge Refuses to Set Aside Trust Agreement by Mrs. Hodge, State

SPRINGFIELD (UP)—A Circuit Court judge has refused to set aside the trust agreement under which Orville E. Hodge and his wife agreed to turn over to the state more than \$500,000 in assets as restitution for his raid on state funds.

Judge De Witt S. Crow Friday refused to throw out the trust agreement as asked by Mrs. Hodge, but he also refused to dismiss completely her suit for recovery of the assets.

Asst. Atty. Gen. Mark O. Roberts asked that Mrs. Hodge's suit for recovery of the money be dismissed on grounds it was contradictory.

Crow dismissed one count of the suit, but gave Mrs. Hodge 30 days in which to file an amended complaint on two other counts.

The trust agreement provided that Mrs. Hodge could regain any of the assets which she could prove were wholly hers and were not gained as a result of her husband's looting of the state treasury.

Roberts argued that Mrs. Hodge's suit contained a series of allegations that the assets she seeks to recover were not involved in the embezzlement but that there was no proof of the allegations as required in the trust agreement.

Roberts also argued that Mrs. Hodge's suit was contradictory in that she was seeking to recover assets under terms of the trust agreement and at the same time was charging the agreement was invalid because she signed it while distraught and "under undue influence."

Mrs. Hodge's lawyers argued that the contradictory pleadings were permissible under the revised Illinois Civil Practice Act and that it should be left up to the court to decide on which basis the suit should be tried.

Mrs. Hodge's suit was filed in the Circuit Court of Cook County, Ill., after she had been indicted for the same offense in the federal court.

Roberts also argued that Mrs. Hodge's suit was contradictory in that she was seeking to recover assets under terms of the trust agreement and at the same time was charging the agreement was invalid because she signed it while distraught and "under undue influence."

Congressman Hits Hungarian Refugee Program

WASHINGTON (UP)—Rep. Omar Burleson (D-Tex.) said Friday the United States made "a serious mistake" in admitting any Hungarian refugees. He said he will "vigorously" oppose doubling the refugee quota.

Burleson, a member of the House Foreign Affairs Committee, was the first congressman to attack the administration's Hungarian refugee program. He made the attack in a letter to Secretary of State John Foster Dulles.

In his letter to Dulles, Burleson said the administration's plan for admitting Hungarians "is being swayed by an emotion which is wholly unrealistic."

He said this country is heaping honors befitting a hero upon Hungarians who are "deserting those who are willing to remain behind to carry on their fight for independence from the Soviet Union."

Miss Avah Phillips Has Theme Published In U. of I. Magazine

Miss Avah Phillips, a graduate of the Harrisburg Township high school, now attending the University of Illinois, has had a theme published in the current issue of The Green Caidron, a quarterly magazine of freshman writing published by the Rhetoric staff. A copy of the Green Caidron with Miss Phillips' theme was sent to Miss Bernice Patterson, head of the HTHS English department.

Publication in the Caidron is not only a real distinction for the student, but also an indirect tribute to the soundness of his or her high school training in English. Eltis Henson, HTHS principal, stated that the school had previously received a letter of commendation from the University of Illinois praising its English department. According to them HTHS has one of the finest English departments in the state of Illinois.

Boy—I can hardly wait!
I've got my stocking hung by the chimney with plenty of care, and Christmas morning it'll be bursting full of all sorts of good things. There'll be a candy cane sticking out of the top... there always is... and a walnut stuffed way down in the tip of the toe.
And then... the tree! I don't think there's a prettier sight on earth than a Christmas tree. And all those presents underneath it, wrapped up in bright colors and tied with ribbons.
Then Mom and Dad and my sister Ellen and I will get dressed, and we'll go to church. That's one of the best parts of Christmas. For Mom and Dad always say that Christmas is the celebration of Christ's birthday. I love the music in our Church at Christmas—"Hark the Herald Angels Sing," and all the other carols. When I hear them, I feel all filled up with joy, and I know why our minister says that Christmas is the happiest day of the whole year.
Boy—I can hardly wait! And I just hope that your Christmas is going to be as merry as ours!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'The Word Became Flesh'

John 1:1-18; Luke 2:8-12
GOLDEN TEXT: "And the Word was made flesh and dwelt among us."

INTRODUCTION — The Christmas Season is here again. What a joyous season it is! I would like to take this opportunity to say "thanks" to all of you who have read the Sunday School Lessons this past year. It has been a real joy to my heart to hear from many of you from time to time. Merry Christmas to all of you and may the New Year be for you the best one ever!

We have Christ presented to us in this week's Sunday School lesson. It was my happy privilege to be in Bethlehem of Judea just a few months ago. It stood in the place where he was born. I crossed the deserts of Egypt (by plane) where he, with Mary and Joseph, fled to safety. I walked over the dusty roads around Jerusalem where Jesus once walked. Down around the beautiful Sea of Galilee, I could see the places where Jesus had so many wonderful experiences.

In this lesson today, we see:

I JESUS — THE ETERNAL SAVIOR (John 1:1-18)

"In the beginning was the Word." This literally means that in the beginning of all things, before the world was made, that Jesus was living. He was on hand when God created the heavens and earth and man and all things in the earth. Jesus was there!

1. HE WAS THE LIGHT OF MEN (V. 1-5) He became the eternal light in man's soul from the beginning of time. Even for the man who has the spiritual light of Christ today, there is no real darkness.

2. HE WAS THE DIVIDER OF MEN (6-13) "He came unto his own, and his own knew him not." They rejected Jesus, the One who had created them and all the earth around them. However, some accepted Him as Savior. To them "gave he the power to become the sons of God."

3. HE REVEALED GOD (V. 18) When anyone saw Jesus, they

saw God, because Jesus was God in human flesh. The Law of God came by Moses, but the wonderful grace of God came by His Son, Jesus.

II GOD BECAME FLESH (Luke 2:8-12)

Here we have the story of the birth of Jesus. He was born of the virgin Mary. God planted the seed in her womb. God was his Father—Mary was his human mother. Therefore, he was both God and man, both human and divine. Why did he come? "He came to seek and to save that which was lost." Man needs a Savior. Jesus is that Savior. Man sometimes thinks he needs many things, but his greatest need is Jesus Christ as personal Savior. The Shepherds were watching their flocks by night. I stood in the Shepherd's Field recently. I could imagine what it must have been like that night when the angel appeared to those shepherds to announce the coming of the Savior. I could almost hear the heavenly choirs singing their first Christmas songs.

CONCLUSION — Those shepherds said: "Let us go now even unto Bethlehem and see this great thing that has come to pass." They followed that heavenly vision until they found the Savior. It is your duty and privilege, and mine, to follow the leadership of the Holy Spirit today and to find Christ as our Savior.

Ortega Wins Second Decision From DeMarco

NEW YORK (AP)—Lanky Gaspar Ortega, a glitter-eyed young Indian from Mexicali, Mex., war-whooped loudly for a shot at the welterweight bonnet today because of his second consecutive split decision over ex-champion Tony DeMarco of Boston in less than a month.

And his chances for a title shot were enhanced when Harry Markson, managing director of the International Boxing Club, said "Ortega's ready to fight any welterweight in the world now."

In their return 10-rounder at Madison Square Garden Friday night, nationally televised and broadcast, Ortega knocked stocky, black-haired DeMarco through the ropes onto the ring apron with a right to the chin in the first round, and then managed to wind up with an edge on points at the finish of their bristling bout.

Carrier Mills Trips Eldorado Eagles, 56-50

Ninth Victory Of Season For The Wildcats

Carrier Mills claimed Eldorado as its ninth consecutive victim of the season Friday night, but only after a terrific struggle.

The two Saline county rivals met on the Eldorado floor and Carrier Mills remained in the rapidly dwindling list of undefeated teams by winning 56-50.

Eldorado parlayed a tight zone defense and lots of successful free tosses into almost a top notch upset, but Carrier Mills' overall strength paid off with a win in the final minutes of play.

By choking up the middle lanes and keeping Carrier Mills from getting the ball in close, Eldorado held the powerful Wildcats in check until Harold Fitts, senior guards, took over with sensational outside shooting.

After one quarter of play Eldorado led 16-10 and at halftime the advantage was 30-21. At one time in the second quarter the Eagles soared to a 25-12 lead.

The Wildcats began their drive in the third frame, gradually eating away the Eldorado lead and the period closed out with a 41-all score.

In this frame Carrier Mills lost two regulars via the foul route, Rollins going out with 2:15 remaining to be played and a minute later Rouse had the fifth foul called against him.

Wildkittens Win

Eldorado lost a regular at the beginning of the final frame when Kingery committed his fifth foul.

As the quarter started Overton hit a free toss to give Eldorado a 42-41 lead, then Fitts scored two free ones to put Carrier Mills in the lead 43-42 with 7 minutes remaining. This was the first Carrier Mills lead since real early in the fray.

The teams traded baskets and with 1:45 to go the score was tied at 50-50. Then Coffield hit a fielder, Fitts followed suit and Coffield scored two free throws as the game ended, keeping Carrier Mills unbeaten for the season.

Both Eldorado and Carrier Mills will be idle until next Thursday when they will join with Metropolis and Rosiclare in the first holiday tournament to be staged at Carrier Mills.

The preliminary game last night went to the Wildkittens by a score of 62-48.

Daughter of Mrs. Comiskey is New Boss of White Sox

CHICAGO (AP)—Mrs. Dorothy C. Rigney today appeared to be the new boss of the Chicago White Sox. The will of the late Mrs. Grace R. Comiskey, Mrs. Rigney's mother, Friday revealed Mrs. Comiskey left her daughter 500 more shares of club stock than she left her son, 31-year-old Charles A. Comiskey, grandson of the White Sox' founder.

The will, filed in Probate Court, specifically stated that Mrs. Rigney, whose husband John is co-president of the club with young Comiskey, should receive 500 shares of stock and that the remainder be equally divided between her and her brother.

Mrs. Rigney also was named executor of the estate.

The special bequest to Mrs. Rigney was described as "a family matter" which was "personal and confidential."

The White Sox ball club is owned entirely by the Comiskey family and, when the will finally is cleared up and Comiskey becomes 35 years of age, he and Mrs. Rigney will hold all the 7,450 shares on issue.

It was the seventh straight win for the Maroons, ranked second in the state by the United Press coaches board. It also established them as a clear favorite for the Big Eight title and a power to be reckoned with in state tournament figuring.

Pinckneyville, the No. 1 team in the state, easily rolling, ripping Moline easily 52-30, for their sixth in a row. The Pincks collide with Galesburg tonight.

Collinsville hung up its fifth win, an easy, 54-20, rout of East St. Louis.

Ninth-ranked Herrin clouted Centralia, 78-52, for its seventh win in a row.

Aurora East, another undefeated Big Eight entry, posted its sixth triumph, over Rockford East 75-52.

Galesburg's seventh-ranked Silver Streaks cut short another perfect record by clipping Paris, 58-52.

Among other ranked teams adding new victories were Quincy, 61-52, over Macomb, Springfield Lancers, 65-48, over Beardstown, Chicago Heights Bloom, 71-47, over Argo and Edwardsville, 66-44, over Alton.

Decatur upset Lincoln, 54-38, in a Big 12 Conference clash.

Gillespie and Hillsboro, each beaten only once, added wins, the Miners dumping Benld, 69-46, and Hillsboro stopping Shelbyville, 59-51.

Peoria Central, coming on after a disappointing season start, added its third straight win, 59-51, over Peoria Manual in another Big 12 fray.

Pekin, beaten only once, whipped Danville, 73-60.

Canton squeaked by Flora's Wolves, 64-62.

Marion clobbered Benton, 72-53.

In a Thursday night battle of giants, fifth-ranked Rock Island came from behind to edge fourth-ranked Rock Island Alleman, 67-60. Both teams were undefeated going into the battle.

Henson Invites Eighth Grade Students, Teachers To Game Tonight Free

Elitis Henson, HTHS principal, announces that the eighth grade students and teachers in the Harrisburg Township District are invited to attend the Harrisburg-Centralia basketball game, tonight, as guests of the school.

Mr. Henson said that the reasons for inviting them are: "We want them to get an idea of school activities, to feel at home at HTHS, but most of all we just want them to come."

Although the eighth grade basketball players are usually admitted free of charge, this is the first time the entire eighth grade will be admitted free.
